Our COVIDCUBE™ Desk Shield gives employees and customers protection and piece-of-mind at work. These guards are offered in three sided configurations but are also available in custom configurations.

Key Features

- Free Standing
- 30" Standard Heights
- Custom heights available
- 3M Dual Lock brackets for added stability
- Made in the USA

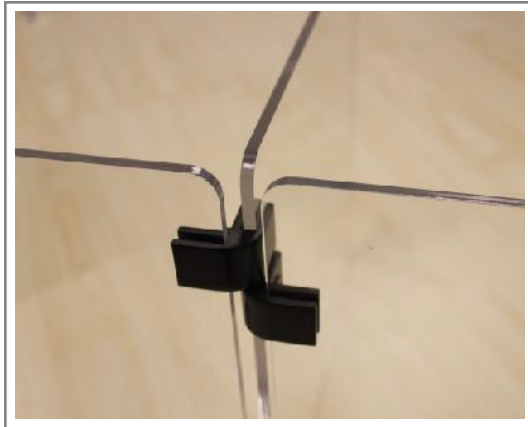

COVIDCUBE™ 3-Sided Desk Shield

Designed by Polargy

Clear acrylic panels are attached together at right angles with 2-way connectors so that shields are stable and stand on their own. The minimalist design is reliable, economical, and quick-to-assemble.
